

Educational Area: U-Shape Layout

## Educational and Breakout Areas

The Educational Area at AlexRenew’s Environmental Center offers open space with various layout options within the 1,665 square-foot area, and can accommodate up to 90 people. This area also includes access to the Breakout area which is equipped with additional tables and chairs.

Breakout Area

Amenities include:

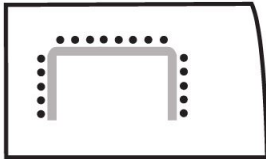

- A/V projector and screen
- Wi-Fi
- Dry-erase feature walls
- Warming kitchen: sink, coffee maker, dishwasher, two refrigerators with freezers, two warmers, and ice maker

### Layout Options for Educational Area (See examples below)

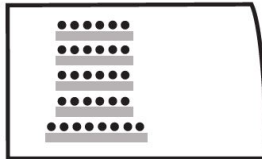

Layout	U-Shape	Classroom	Theater
Number of People*	18	32	90

\*Note: Number of people is based on pre-pandemic capacities and does not consider spacing for social distancing. Each entity is responsible for moving their own furniture, AlexRenew may not have all of the necessary furniture available. If choosing to rent additional furniture, each entity is responsible for the all logistics with furniture rental company.
