

Investing in Alexandria's Clean Water Future

To help fund the mandated \$615 million RiverRenew program, AlexRenew Enterprises (AlexRenew) is implementing a sewer rate adjustment.

The average monthly residential bill is estimated to increase by approximately \$2.70 based on the consumption of 4,000 gallons of water per month and represents:

- A 5.4% adjustment beginning July 1, 2023
- A 5.1% adjustment beginning July 1, 2024
