Notice of Award of Emergency Contract 24-EPA-01

Date Posted: February 26, 2024

Date Emergency Contract Awarded: February 16, 2024

Emergency Contract Awardee: Centrisys/CNP

Goods and Services to be obtained: Provision of wastewater treatment equipment parts – rotating assembly and gearbox for Alfa Laval DS-706 dewatering centrifuge.

Award amount: \$325,000.00

Pursuant to the terms of §2.2-4303(F) of the Code of Virginia, AlexRenew has awarded a contract for the above-named goods and services with the awardee on an emergency basis, as of the date noted above. AlexRenew has determined that there exists an emergency situation that has an immediate impact on the ability of AlexRenew to carry out its daily mission, which justifies the obtaining of the services without the process of a competitive sealed bid or competitive negotiations for the service to be procured.
